Sponsoring and Advertising:

Sponsoring and advertising within the VIP is a "brand" of unique and exclusive possibilities which will make not only the name of your company and your company activities well-known, but also will extend your clientele precisely and goal-oriented.

- Guaranteed accessibility of target groups in Russia (via the Russian Chamber of Commerce)
- Guaranteed accessibility of target groups in the Netherlands (Rusnet database)
- Targeted acquaintance of your company, production and/or services in the Netherlands and Russia
- Individual VIP accompaniment of you company presentation
- Permanent presence on the Internet site, in the VIP's [@-Bulletin](#) and in Rusnet's daily reports
- Unlimited participation in VIP projects

- Free VIP-accreditation

The autonomous existence of three independent sites on the Rusnet-portal (English-, Dutch- and Russian-speaking) with the included unique encyclopaedias, file-data and electronic press services allows the sponsors and advertisers reach via a virtual presentation of the company a concrete result on Dutch, Russian and International level...

Attention:

VIP advertisements and presentations of your company are sent monthly to all registered companies with updates of the VIP bulletin

Sponsoring and advertising yields you more than it costs.

Contact us for a tender without engagement.
